

IT-BugsBunny

Landing Page & Website Development

Price list for one-page website development. Each category is available in two formats: a basic build or a full package with working integrations.

Basic	HTML/CSS build, mobile-responsive layout, hosting deployment, 3-day delivery
Full Package	Everything in Basic + custom domain setup + working forms (submissions sent to email/Telegram/WhatsApp) + 1 round of revisions after delivery

Pricing by Category

#	Category	Basic	Full Package	Extra features in Full Package
1	Restaurant / Cafe	\$80	\$140	Reservation form to email / WhatsApp
2	General Service Landing	\$70	\$120	Leads sent to Telegram
3	Coach / Trainer	\$80	\$130	Booking via WhatsApp / Telegram
4	One-Page Online Store	\$110	\$190	Order requests sent to email
5	Real Estate / Agent	\$120	\$210	Working price/room filters
6	SaaS / IT Product	\$110	\$180	Signup form with validation
7	Event / Webinar	\$95	\$170	JS countdown timer + registration
8	Beauty Salon / Barbershop	\$120	\$240	Booking calendar
9	Online Course	\$110	\$180	Enrollment form + reviews
10	Photographer / Designer Portfolio	\$70	\$120	Contact form

* Domain registration (~\$12/year) is paid separately by the client. Revisions beyond the agreed round are billed separately. Timelines are approximate and confirmed per project. Prices converted from RUB at approx. 84.5 RUB/USD (Sept 2026).
